New Drain Proposed for Flood Areas

Where drainage easements do not exist it is possible for Altona council to construct similar drains in accordance with the provisions of the Health Act.

The area bounded by Millers Road, Civic Parade, Seves Street and Railway Street North, Altona is suitable for a drainage scheme under this Act.

Seventeen property owners in this area forwarded a petition to council requesting the construction of an easement drain through their back yards.

The council considers it necessary to drain these properties therefore they intend making an order on the owners of all the premises requiring them to permit the formation of drains through or under their premises.

After the expiration of one month from the making of the order, the council may construct the drains it considers necessary for the proper drainage of the land.

On completion of the works the ratepayers will be apportioned in the manner which the council has determined and accounts rendered.

It is usual to request cash payments, but in some cases the council may allow the applicants to pay in terms quarterly up to say five years as in manner provided for footpath construction.

THIEVES VISIT ALTONA Thieves were active in Somers Parade, Altona, last Sunday night.

They succeeded in breaking into the mixed business owned by Mr. W. F. Meadows, at 19 Somers Parade and stole approximately 4000 cigarettes and 200 cigars valued at £50.

They attempted to enter the shop at 21 Somers Parade, but after breaking a window and a glass front door they could not gain entry.

VANDALS DAMAGE MAGAZINE PIER

Perhaps it was not surprising to hear Cr. H. W. Lee tell the Altona Shire Council of the damage done by vandals to the Magazine Pier.

Nothing seems to escape the senseless destruction of these irresponsible youths.

This pier has always been closed to the public.

But Cr. Lee said he was sure that if the pier had been undamaged it would have now been open to the public for fishing, &c. The damage shocked him.

Other councillors expressed a desire to inspect the pier and the adjacent Explosives Reserve. Cr. Lee will arrange an inspection in the near future.

Motorist Fined £10

Edwin Graham Thompson, of 27 Arnold St., West Sunshine, was charged that at Altona on May 4, being the driver of a vehicle which was turning to the right at the intersection of Millers Road and Railway Street, he did fail to give way to a vehicle travelling in the opposite direction. He pleaded not guilty.

Mervyn Gordon Rose, professional tennis player, of 17 Seaview Crescent, Seaholme, said he was driving north in Millers Road and had just passed over Railway Street. He saw four or five cars coming from the opposite direction and the fourth or fifth car made a right hand turn into Railway Street. It collided with his car, hitting his car from the centre to the back of the left hand side. He was eight feet from the kerb when hit.

Police gave evidence the collision took place 20 feet north from the northern kerb

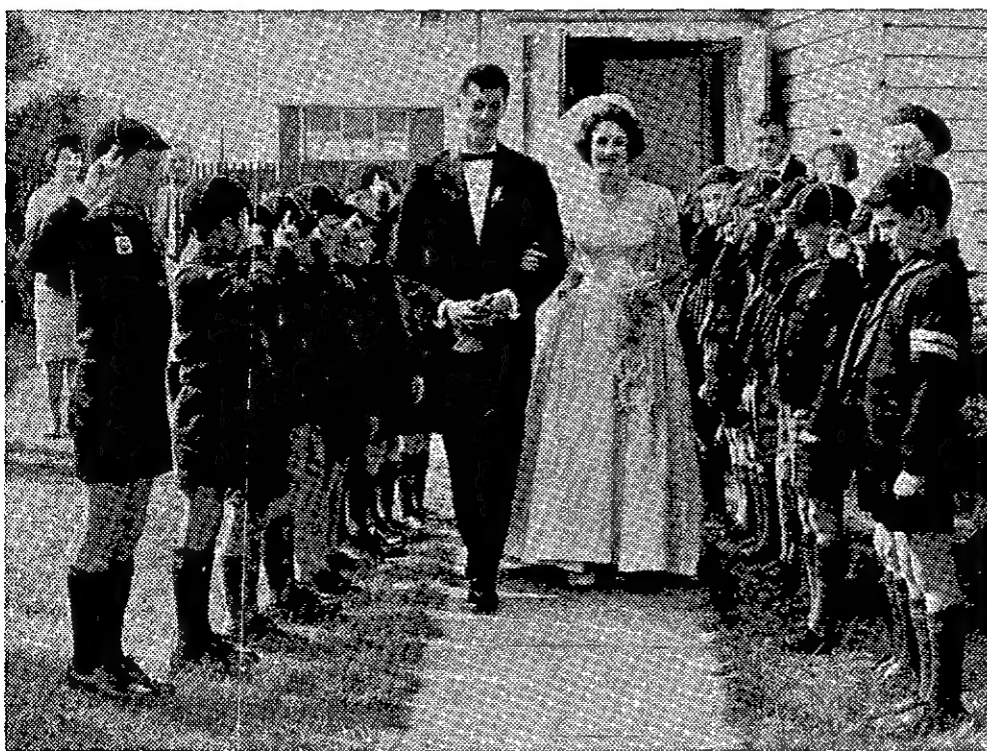

line of Railway Street. The car turning right was past the building line as it was a very wide corner.

Thompson said in the witness box that he saw a car coming the other side of the railway line but thought he had plenty of time to make the turn. The other car must have been going faster than he thought and they collided.

Mr. P. J. O'Connor, S.M., said to him, "In other words, you crossed in front of him." Thompson said, "Yes."

He was fined £10 and his licence suspended for one month.

1st Altona Cubs Provide Guard of Honour

(Photo by Barry Sutton—65-6017.)

Mr. Kenneth Kearney and his bride walking through the guard of honour provided by the 1st Altona Cub Pack after their marriage at St. Eanswythe's Church of England, Altona, last Saturday. The bride, Cub Mistress of the Pack, was formerly Denise Hill of Millers Road, Altona. Cub Geoff Carruthers presented Denise with a horseshoe. (See Social Page.)

ACCIDENT VICTIMS RECOVERING

Friends are happy to hear Mrs. Lola Forsyth and her daughter Helen, both of Laverton, are now recovering from their recent car accident.

Mrs. Forsyth is still a patient in Williamstown District Hospital, but Helen has been discharged from hospital and is convalescing at her grand mother's home in Dandenong.

McIntosh Road — or Roads?

McIntosh Road, Altona East, is divided by the SEC Briquette Depot. The north west corner of the depot cuts right across this main roadway. The Altona Shire Council has applied to the SEC for this corner of the depot to be set aside for roading and reserve purposes in the council's name. To make McIntosh Road a through roadway the council wishes to connect both ends of the road.

In view of the reply received from the SEC the council has invited SEC representatives to attend and discuss the request at the council meeting.

The reply stated: "Relevant to the linking up of the two sections of McIntosh Road through the north-west corner of the Commission's briquette depot at Paisley, the Commission has given consideration to the request that it transfers title to your council of the land reserved for the new road, and also to the severed triangular area on the corner of Mills and Mason Streets.

"The Commission is prepared to make the required land available at valuation subject to the council meeting the cost of relocating the railway sidings, roads and fences at our depot.

"The opinion of an independent sworn valuer has been

obtained with regard to the valuation of the land, and this has been assessed at £16,140.

"The alterations to services within the depot will involve relocating 2600 lineal feet of rail sidings, including two sets of points, and the provision of new ballast, etc., the relocating of 200 lineal feet of heavy duty roadway 20 feet wide, including associated earth works and drainage; and the relocating of 1200 lineal feet of chain mesh fencing. It is estimated that the cost of this work will amount to £11,850 and this sum would be increased by a further £500 if the cost of crushed rock is increased as proposed by the trade.

"Upon receipt of the agreement of your council to purchase the land and meet the cost of the necessary relocation of services referred to above, the matter will be given further attention."

VEHICLES PARKED ILLEGALLY

The attention of the Altona Shire Council has been drawn to the grave problem of standing semi-trailers and trucks and illegally parked cars.

The Altona East Branch of the Australian Labor Party, who drew council's attention to the problem stated the illegally parked vehicles obstruct the proper flow of traffic, particularly in the area of The Circle shopping centre.

A similar problem exists in some residential streets in Altona East and Altona North areas.

Action can be taken where vehicles are parked illegally and dangerously and the council will request both the council traffic officer and the police to act accordingly.

UNCLAIMED PROPERTY

Unclaimed property at Altona Police Station includes a ladies small maroon and blue purse containing a sum of money, also a gent's red bicycle.

SITE FOR WERRIBEE ELDERLY CITIZENS' CLUB

There has been much indecision on a site for an Elderly Citizens' Centre in Werribee. Two sites have been under review—the reserve immediately west of the RSL Building and the northern end of Gladstone Place.

Recently Crs. Earl, Barber and Hudson met representatives of the Elderly Citizens' Committee and discussed the possible sites.

In view of the limits of Gladstone Place such as the right of carriage way on titles held by owners of land abutting the street they unanimously decided against Gladstone Place.

It was resolved that a site on the reserve would be more suitable for the purpose, therefore, they recommended to council the acquiring of a section of the reserve, west of the RSL Hall.

The council accepted the recommendation and will apply to the Lands Department for this land.

MR. G. R. CRICK, MLA, TO LECTURE

Mr. G. R. Crick, MLA, Chairman of the Parliamentary Public Works Committee, will give a talk to members of the 12 Australian Labor Party Branches in the Grant Electorate at Sunshine Town Hall tomorrow (Friday) night.

Starting at 8 p.m., he will report on the Ord River Dam and Water Conservation and Irrigation Project in North-Western Australia which he and other members of the Public Works Committee inspected during the Parliamentary recess last July.

AUSTRALIA DAY CELEBRATIONS

"Enthusiasm for the holding of special Australia Day celebrations within the shire seems to be renewed," Cr. H. W. Lee informed Altona Shire Council.

He was reporting on the public meeting called to discuss the celebrations.

He said he had been beginning to think enthusiasm was waning but now it seems renewed. There appears to be unanimous support from most organisations. However, the general opinion was not to have a large scale celebration but to start in a smaller way and get the neighbouring municipalities used to the idea.

One excellent way of making the public, especially school children aware of the significance of the day is through an essay competition. The newly formed Australia Day Committee proposes to conduct such a competition on the subject "How and why should we celebrate Australia Day." The competition will be open to all school children who will be divided into three groups—senior primary school pupils, junior secondary and senior secondary school students. Appropriate books will be awarded to first and second winners in each group.

The first meeting of the committee will be held on Thursday, October 17, after which more details of the proposed essay competition should be announced.

EDITORIAL

Unsuitable Titles

Altona Councillors in naming certain reserves had apparently two aims. One to give these reserves suitable distinguishing names and two to honour local councillors. They succeeded in neither objective. The names do not serve the purpose. Generally, suitable titles are those of location or special feature. Distinguishing service over many years by a councillor or citizen may in some cases justify the titling of a prominent reserve in his name. Such, in the case of Grant Reserve finds ready acceptance. The significance of Apex Park is also obvious.

True, councillors may claim that they were but following a precedent set earlier when reserves were named after foundation councillors. However, they have but repeated a bad policy.

In general the name of the adjoining street would have been a sufficient designation for each of the minor reserves.

As things stand the only reserve other than Apex Park lacking a past or present councillor's name is that of Altona Sports Park—the one whose existence is in jeopardy.

Councillors in general receive little thanks for an arduous job. They deserve to be honoured. That honour does not come in an undistinguished handout to all—or was there some special consideration given in naming Frazer Reserve.

Unkind critics might suggest that the recent announcement re the naming of streets and roads was an indirect cause of this action. For it follows street names will become too general.

The only names to stand out can be those of parks and (dangerous thought) bridges.

We repeat councillors do deserve honour—based on their merit and public performance of duties. We suggest that in the next decades, in the notable advance we expect in Altona there will be much more fitting opportunities to honour councillors as individuals—not en bloc.

It might be fitting for a swimming pool or a public hall to be named after a councillor when the council believe they would be supported by public opinion in so doing.

It might be chastening but also salutary for councillors to remember that many citizens of the greatest worth may never become councillors. The new Citizenship Award may be appropriate. But the ideal is that the highest honour whether it be a street name or park or building title or what have you should be equally accessible to all whom the community desires to honour.

Letters TO THE EDITOR

Ratepayer Unhappy With Reserve Names

Sir,

One reads with some interest, a certain amount of amusement and no little derision of our illustrious councillors decision to name our reserves after themselves. They certainly intend their names to be perpetuated in the annals of Altona's history.

First it was Streets, now the reserves. What comes next? Will it be an Avenue of Honour along Civic Parade? Have they overlooked the Bridge of Sighs in Millers Road and our two piers?

Can our present councillors claim to have done more or worked harder than the councillors who held office when Altona was a Riding of Werribee Shire? The going was tough in those days for Altona's representatives as they were three votes against 12, but no thought has been given to paying homage to them.

happen if another party gains power in Altona? Will all the names of the reserves be changed again?

—VANITY FAIR.

One wonders what will

OVERSEAS CHRISTMAS SURFACE MAILS—1963

Closing times quoted hereunder for newspapers, packets and parcels apply to the General Post Office, Melbourne, and the Elizabeth Street Post Office, and those shown for letters apply to the Elizabeth Street Post Office only.

The closing time for letters at the G.P.O. is 15 minutes later. Registered articles close one hour earlier than the times shown for letters. Mail posted elsewhere must be lodged earlier and senders should inquire at their local Post Office as to times.

The dates are provisional and are subject to alteration at short notice.

Closing times for Christmas air mails for overseas countries will be announced at a later date.

IRELAND, REPUBLIC OF (EIRE).—Letters: 1.45 p.m., November 7; Newspapers and Packets: 5 p.m., November 6; Parcels: 5 p.m., November 6.

ITALY.—Letters: 1.45 p.m., November 19; Newspapers and Packets: 5 p.m., November 18; Parcels: 5 p.m., November 18.

ALTONA'S "MALAYSIA"

As Malaysia has its combination of colours, religions and creeds (and should work, given the right incentives), so the work force of Altona has got together.

Crafts, unions and trades have formed the Altona Area Committee with powers of mutual aid.

At its inaugural meeting on September 24 there were 14 representatives present of eight companies and four metal trades unions.

ALTONA WEST PRIMARY SCHOOL

Teachers of the school have been kept busy taking pupils on excursions.

Today, Thursday, October 3, Grades 1 and 2 are spending the day at the Botanical Gardens.

Last week a party of Grade 6 students visited the Royal Show.

Grade 5 has been on a nature study excursion to the local beach.

The official opening of the school will take place on Monday, December 2. Further information will be given at a later date.

The school committee has rather elaborate plans to beautify the approaches to the school by levelling the lawn area. They intend to top dress the area and place concrete rings around the trees.

The next meeting of the Mothers' Club will be at the school on Thursday evening, October 10, at 7.30 p.m. All mothers are urged to attend.

The school would be grateful for donations of eggs as they are conducting the annual egg appeal for the Altona and District Hospital.

Any parents who have not enrolled children eligible to start school next year would they please contact the head teacher as soon as possible. Children must be five by the end of next June.

OIL INDUSTRY

The oil industry workers are getting restive again. The Shell Refinery maintenance, after five weeks of restricted overtime, walked off the job on Wednesday, September 25 at 12 noon, and returned on Monday, September 30, at 8 a.m.

The Court was quickly organised for Thursday, September 26 at 9 a.m. to give its verdict.

Altona workers walked off at 12 noon on Friday, September 27, and returned on Monday, September 30, at 7.45 a.m. The talks between the unions and oil companies have reached a stalemate.

MARIBYRNONG RIVER

WATER INQUIRY
At the Parliamentary Public Works Committee Inquiry into the Western Suburbs future water supply, the following evidence was submitted by the Werribee Council—

Water Analyses — Maribyrnong River: on August 19, 1963, samples of water were collected from the Maribyrnong River at the junction of the Konagaderra Creek within the City of Kellor, and submitted to the Shire Analyst (Dunn Son & Stone) for analyses. The general and sanitary characteristics of the river water compared with normal MMBW tap water are as follows—

Re-action pH value: Maribyrnong River 7.4, MMBW water 6.8; Total solids: M.River 374, MMBW 54; Chlorides: M.Riv. 116, MMBW 12.2; Hardness Total: M.Riv. 55, MMBW 14.7; Carbonate Hardness: M.Riv. 50, MMBW 9.6; Bicarbonate Alkalinity: M.Riv. 50, MMBW 9.6; Hydroxide and Carbonate Alkalinity: M.Riv. 0, MMBW 0; Albuminoid Nitrogen: M.Riv. 0.55, MMBW 0.036; Ammonia Nitrogen: M.Riv. 0.10, MMBW 0.008; Colour and Odour: Both have high turbidity and colour with an alkaline earthy flavour.

It will be seen that the river water sample has high values for all characteristics and compares unfavourably with MMBW tap water. Particularly high are the organic nitrogen figures and together with the high chlorides and total solids, indicate water of a very poor standard.

The albuminoid and the ammonia nitrogen figures are particularly high. (The albuminoid nitrogen content gives a rough approximation of the amount of organic nitrogen in solution and is usually high in polluted waters.)

The water of the Maribyrnong River is approximately four times as hard as MMBW water and the use in the home would considerably increase difficulty in forming a lather.

The sample was not subjected to bacterial investigation but would no doubt be exceedingly high in counts.

We understand that the State Rivers and Water Supply Commission admits that dissolved salts in these waters may be in the order of 300 to 400 PPM, and that filtration would probably be desirable and that sterilisation would certainly be necessary.

It can be seen by these figures and these comments that such a supply would not only be very undesirable, but definitely detrimental to both domestic and industrial use.

Church Notices

THOUGHT FOR THE WEEK

Do not store up for yourselves treasure on earth, where it grows rusty and moth-eaten and thieves break in to steal it. Store up treasure in heaven, where there is no moth or rust to spoil it no thieves to break in and steal. For where your wealth is, there will be your heaven also. (Math. 6: 20-21.)

PERSONAL

Mr. and Mrs. V. Ingwersen returned a month ago from having two hot months in Cairns.

They are finding it hard to settle down to this weather after Cairns.

CRICKET COACH APPOINTED

The Altona Cricket Club has much pleasure in announcing that well-known ex-Footscray and Yarraville cricketer, Eric Perussich, has been appointed coach of the Altona Cricket Club for the forth coming season.

The new coach is most anxious to welcome all old and new players to attend practice matches on Monday and Wednesday nights at 4.30 p.m.

The club will be entering teams in the Williamstown and Footscray District Cricket Association A and B Grade Competitions.

BABY SHOW WINNER

Tianie Crunwald was successful in coming second in a baby contest at Yarraville last Saturday.

Her parents, Mr. and Mrs. John Crunwald, of 6 Cowra Street, Altona, are very proud of their baby as she is only two months old.

ALTONA LADIES BOWLING CLUB

Members of the Altona Ladies Bowling Club are looking forward to the opening of pennant bowls next Tuesday, October 8.

They have entered three teams in the competition.

No. 1 team will be in 5th Division Section 4. No. 2 Team will be in 5th Division Section 5. No. 3 Team will be in 9th Division Section 5.

This week is the 21st wedding anniversary of Mable and Harry Harris—congratulations. Birthday greetings to Lena Cox, Bess Neal and Jim Cox.

MISS AUSTRALIA ENTRANT

Miss Joan Griffiths, of 11 Seaholme Avenue, Seaholme, is an entrant in the Miss Australia Quest. She is being sponsored as "Miss Chemical Industry."

Seventeen-year-old Joan is a telephonist with the M.G.

The metropolitan section of the quest is being judged this week and the 10 metropolitan finalists will be chosen at a presentation at the Kew Town Hall.

On October 12 the 10 metropolitan finalists will meet the country finalists at a ball in the Palais, St. Kilda, when Miss Victoria will be chosen.

MEN'S DINNER SUITS FOR HIRE ALL SIZES

Weddings, Deb. Sets, Balls, etc.

FRANK'S MEN'S AND BOYS' WEAR,

76 RAILWAY STREET, ALTONA. 65-8940. After Hours: 314-7489.

Wedding Kearney - Hill

Many wellwishers gathered both inside and outside St. Eanswythe's Church of England last Saturday when Denise Jacqueline, only daughter of Mr. and Mrs. J. Hill, of 17 Millers Road, Altona, married Kenneth Kearney, eldest son of Mr. and Mrs. R. Kearney, of 11 Railway Street, Altona.

The bride wore a magnolia faille frock with a full skirt sweeping into a train. She carried a bouquet of white orchids.

A niece of the bride, Dolores Nicholls, of Traralgon, was bridesmaid. She wore a turquoise frock and carried pink carnations and lily of the valley.

Best man was Doug Trembath.

As the bride entered the church on her father's arm the church bells rang.

During the ceremony the bride and groom exchanged rings. Organist was Mrs. Moriarty, who played the 23rd Psalm.

When the couple left the church through the Cubs' Guard of Honour as well as the horseshoe from the Cubs, Denise's grandmother gave her a horseshoe and wished her luck.

The bride's mother wore a dusty rose pink suit with black accessories.

A blue ensemble with pink accessories was worn by the groom's mother.

During the wedding breakfast held at Talbot Hall, Williamstown, the best man read out many telegrams of congratulations. After the breakfast guests returned to the home of the bride's parents, where they enjoyed dancing to the music of Dave Faye's band.

Among the guests were Mr. J. Faulkner representing the Footscray Scouts and Mr. Leigh Hardinge and Mr. W. Carruthers of the Altona Scouts.

The bride and groom were very thrilled with the beaten silver cream and sugar bowl on a tray received from the Cubs and Scouts.

The happy couple are spending their honeymoon in Mildura.

ALTONA FOOTBALL CLUB NOTES

CABARET DANCE

A cabaret dance will be held on October 5 at 8 p.m. in the Youth Club Hall, Civic Parade, Altona.

Tickets are available from Ron Hogan's butcher shop in Railway Street, Altona.

BAZAAR

The Mothers' Club of the Epsom Road Primary School, Laverton, are having a bazaar in the school grounds on Saturday, October 12, commencing at 1 p.m.

Home made cakes, fancy goods, sweets and afternoon tea will be available. For the children there will be hot dogs, lucky dip and pony rides.

BAZAAR

The Altona Methodist Ladies Guild Annual Bazaar will be held in the Church Hall, Seves St., Altona, on Saturday, October 5, at 2 p.m.

On sale at the stall will be cakes, drapery, sweets and there will be a lucky dip for the children.

YOUNG WIVES GROUP

Next Tuesday, October 8, the Young Wives Group of St. Eanswythe's Church will hold their monthly meeting in the Parish Hall.

Deaconess Alfred, who is in charge of Deaconess House where Anglican Deaconesses are trained, will be coming to speak about home and family.

BOTTLE DRIVE

Do you want to get rid of your unwanted bottles? The Altona High School will be conducting a bottle drive next Sunday morning, October 5.

Ring the school on Friday, October 4, leave your name and address and a collector will call on Sunday. Phone number is 398-1301.

Helpers will be required and are asked to be at the school by 9 a.m. on Sunday. If any fathers have trailers to load the empties in, it would be appreciated if they would bring them along.

HARMONIOUS Altona Shire Councilors are a very harmonious group.

So much so that during a council meeting it is not necessary for each one to concentrate on matters being discussed.

This is the time to catch up on the reading of daily newspapers.

YOUTH CLUB NEWS

The annual general meeting and election of office-bearers of the Altona Youth Club took place at the Youth Centre on Tuesday night last, October 1.

Office-bearers are as follows—

President: Flight Sergeant J. J. Cullen; Vice-President: A. A. Brown; Honorary Secretary: T. S. McGarry; Minute Secretary: S. C. Hyde; Treasurer: F. Mallett; Auditors: Dr. J. H. Leyden and Mr. H. Truman, deputy shire secretary; Council Representative is again Cr. S. G. McIntosh, who also chaired the meeting.

There are several new members on the general committee, notably Constable Harry Sparks, who was previously a senior instructor when the youth club was first formed.

Meetings are held at the youth centre on the third Tuesday of each month.

SISTER ON LEAVE

Sister D. Hatley, of Altona North Infant Welfare Service, will be on leave from October 7 to 28.

She will be relieved by Sister Scott, who resides at Newport, and who will give the same service and visitations as is given by Sister Hatley.

ALTONA SPASTIC AID

The next meeting of the Altona Spastic Aid will be held on Tuesday, October 10, at 1.30 p.m. at 9 Upton Street, Altona.

We would like to thank all who bought tickets for the stocking on display at Tye's. Tickets can still be bought from the shop or the secretary, Mrs. Oakes, 9 Upton Street, Altona.

Go-Kart races will be held on the Altona track on Sunday. Sweets and drinks will be on sale.

LADIES GUILD

St. Eanswythe's Ladies Guild will hold a street stall this Saturday morning, October 5.

Many goods, including jams, cakes and children's clothing, will be on sale from 9 a.m. in the Pier Street shopping area.

BIBLE SOCIETY LECTURE FOR ALTONA

On Tuesday evening, October 8, at 8 p.m., Mr. J. Giles will be present to screen a film and speak on "The Call to Advance Through Bible Literature" at the invitation of the Young Peoples Christian Endeavour Society.

This meeting is open to all who are interested and you are cordially invited to be present. At the close of the meeting the Endeavours are providing supper.

WERRIBEE HOSPITAL LADIES AUXILIARY Annual Fete

To be held in the Picture Palais, Friday, October 11, afternoon and evening, at 2.30 p.m. and 7 p.m. Stalls by C.W.A. and church organisations. Demonstration of Singer appliances. Have your child's kinder apron monogrammed.

CHILDREN' FASHION PARADE

BY DARLING'S TODDLERS SHOPPE Starting at 2.30 p.m. and 7.30 p.m.

Children watch out for the first visit of Father Christmas to our Hospital Fete.

Gifts and doll's clothes for sale.

Hot scones made on the spot with your cup of tea.

Come along and swell the funds for your local Hospital Appeal.

ENTERTAINMENT FOR ALL.

RECORD CROWD AT PRELIM. FINALS

In shocking conditions at Chirnside Park last Sunday a record crowd watched Werribee South easily win the junior preliminary final from Altona, and saw I.N.F. beaten by Altona in a fast moving, torrid struggle for the senior preliminary final.

Phillip Reid (Altona) tries to intercept Don Stuart (South) from kicking the ball off the ground, while Jim Page (Altona), Geoff Ewen (Altona), Ken Parker (South) and Bill Houghton (Altona) race down the field. Gary Mildern (Alt.) contests the knock-out with his South opponent while Bert Allison looks on. Geoff Newman (Altona) and P. McKinley (I.N.F.) do a ballet act while contesting a mark in one of the many thrilling incidents during last Sunday's senior preliminary final. Newman (Alt.) and P. O'Toole (I.N.F.) contest a knock-out while Noel Rohleder (Alt.) waits.

ALTONA IN GRAND FINAL

In a hard-slogging, rain-affected senior preliminary final at Chirnside Park last Sunday, Altona ran out winners by nine points over I.N.F. after a desperate battle by both defences all day.

	Altona	v.	I.N.F.
1st Quarter	1 6 12		1 5 11
2nd Quarter	1 9 15		3 7 25
3rd Quarter	4 10 34		4 12 36
FINAL	6 12 48		4 15 39

1st QUARTER
Altona attacked immediately after the bounce to score a point. Their big men were trying desperately, but INF's defence was also playing well under pressure.

Altona ruckman, Geoff Newman, however, gave his side an early lead when he marked strongly close to goal and made no mistake.

The strong INF backs then became the springboard of many of their attacks and it did not take them long to reply through the agency of Kevin Moran, who was awarded a free kick about 25 yards out. A battle of defences then followed.

Altona's Ian Harris was not giving Jim Townsing too many chances, whilst at the other end, Bill Rowson was being well held by INF's spectacular full back Frank Melican. Both defences were under constant pressure and both sides seemed to be having trouble finding the goals. Sam Pante at centre half forward was having a great battle with Altona's Mario Piovesan, but Bill Miller's assistance on the flank made Pante's task a little easier.

2nd QUARTER
Through their aerial supremacy Altona were again first to attack but the INF defenders, Ron Carroll, John O'Malley and Frank Melican, were combining well in valiantly repelling anything that came their way.

Altona only registered a behind before the determined INF surged forward. Sam Pante was causing some damage at centre half forward, and, at this stage, had the edge over Mario Piovesan.

INF were also having trouble penetrating the stubborn Altona defence, of which Denis Callander was proving a capable member. However, quick thinking by skipper Peter Wakefield let Bill Miller in and his goal regained the lead for INF. Miller was quick to show that his first goal was no fluke as he raced in and booted his second for the quarter.

Altona had an edge across the centre where the play of speedy wingman, Robert Combes, was recognised by INF when they switched Ron Allen across on to him in place of Robert Dowling. However, the advantage on this line seemed to be of no advantage to Altona as their forward line was completely demoralised.

At half time INF held a 10 point lead and considering

the state of the ground and weather, the game had been very entertaining and had thrilled the record crowd that was in attendance.

3rd QUARTER
The third quarter saw a different Altona. They developed some system in their play and this, on top of their classic defence, gave them a lot more opportunities.

INF's defence appeared to relax for a few minutes, and as a result, Altona full forward Bill Rowson raced into an open goal to put Altona within a goal of their opponents. Sam Pante was getting plenty of kicks but it was noticeable that Ian Harris' supremacy of Jim Townsing was causing some concern to other INF forwards.

Bill Wooding and Robert Combes were still causing havoc on the wings for Altona but Brian Smith had an edge in the centre. Bill Rowson kicked his second for the term when he picked up cleverly. This gave Altona the lead.

INF's defence then closed up and prevented Altona from scoring. This gave them the opportunities to score.

However, although they had plenty of chances, their kicking let them down and they could manage only points. Then, close to the bell, Jim Townsing broke away from the pack and dribbled one through to give INF a lead of two points at orange time. The football had been top class under the circumstances and the defence play was well worth an aspiring defender witnessing.

LAST QUARTER
Altona regained the lead after five minutes of the quarter when Noel Rohleder was freed well within kicking range. Up to this stage the play had been very congested as neither side were willing to open the game up.

Mario Piovesan was now getting more than his share of kicks and he repeatedly sent his side forward. INF's defence was being hard pressed but was fighting well.

Frank Melican and Ron Carroll were very steady but Altona had many men running wild and this made their job even harder. John Peterson soon gave Altona a valuable lead when he goaled and INF were now in a desperate position. They surged forward and when Mick Miller hit the goal from close range Altona sighed with relief.

Then Jim Townsing had a shot, but his kick went out of bounds and time was now running out.

INF had had chances to win the game in these dying moments but were not as steady at the vital end of the game as their opponents, who then held their nine point lead to the bell.

INF are to be congratulated on their effort in winning the minor premiership. Losing two successive top-class finals by seven points and nine points respectively, was certainly no disgrace to this young side.

HOW THEY SCORED ALTONA

Player	gls.	bhds.	miss

BEST PLAYERS

3 VOTES TO SAM PANTE of I.N.F. for a fine effort at centre half forward. Many times it was his play that kept his side in the game and he was a constant worry to the Altona defence.

2 VOTES TO IAN HARRIS of Altona for a tireless display at full back. He capably tamed star forward Jim Townsing and repelled many an INF attack.

1 VOTE TO BOB COMBES of Altona for a solid display of wing play. Many times he put his team in the forefront of his thoughts and capably handled two opponents for the day.

SOUTH THRASH ALTONA JUNIORS

Werribee South earned the right to challenge Central Altona in the junior grand final on Sunday, by proving too strong around the packs and especially up forward, for a weakened Altona in a rain-soaked preliminary final curtain-raiser at Chirnside Park on Sunday last.

	Werribee South	v.	Altona
1st Quarter	3 1 19		1 2 8
2nd Quarter	5 6 36		2 4 16
3rd Quarter	8 10 58		3 4 22
FINAL	8 12 60		3 4 22

1st QUARTER

Owing to the wet conditions of the oval, due to drenching rain, the game opened in soccer-like style and many packs developed. However, South were first to goal when Bob Edwards scored from a silly free kick from downfield. Suited by the conditions, Geoff Ewen was giving Altona plenty of bite in the packs and it wasn't long before he initiated a move which resulted in nifty Andy Camilleri registering their first goal.

Then South gained the initiative a little later when they attacked impressively to find clever rover Bert Allison, who kicked accurately to give them a one goal lead. Altona immediately attempted a retaliation but the solid South defence was playing well and held them out. Allison again proved his value around the goals when he booted another off the ground to give his side a very handy lead.

Most players were having trouble handling the slippery ball and, although Altona were 11 points down at the first change, they had battled hard into the slight breeze and things appeared to be still on the bright side as they advanced to the second quarter.

2nd QUARTER

Altona attacked immediately the second quarter got under way and, when Jimmy Page goaled, they seemed to be right back into the thick of things.

Billy Edwards snapped one in reply for South and his ability around the packs was proving valuable to his side.

South were winning in the race for the ball and they were using the soccer tactics more effectively. Altona had the ball on their forward line repeatedly but, South's close-playing defence bustered them

into many mistakes and these misses were later to prove costly for Altona.

The game in this quarter became very scrappy and the football was below-standard. Altona had some good players but their little men seemed to be more dangerous. Graeme Tyrell was trying hard at full back but was fighting a losing battle as South always had one of their rovers cleverly scouting the packs.

South went away to a 20 point lead at half time when Ken Parker scored a controversial goal, and they appeared to be well on top.

3rd QUARTER

The third quarter became a battle of defences and neither side could gain any advantage, until Altona's tall Gary Mildern marked in the goal square and kicked truly.

However, Altona's effort was only momentary, as South swept the ball forward again. Bert Allison was still very damaging and his elusiveness was causing concern to the Altona defenders. He capped off this effort with another fantastic goal off the ground and he was one of the main reasons why South had now raced to a comfortable lead. Jimmy Page was playing well on the ball for Altona and he often steadied his side in defence.

At the end of the third term South held a handsome six goal lead and, as the conditions were having a great effect on all the players, the chances now appeared to be slim for Altona.

LAST QUARTER

One look at the scores for this term would be a true indication of the standard of play. South held sway and scored the only two behinds for the quarter.

South's defence maintained their supremacy and held the weak Altona attacks out without much effort. Bill

Edwards was still proving damaging around the packs and he constantly sent his side into attack. However, Altona's defence had not given in and they fought hard to hold their opponents at bay.

It was apparent from the start of the quarter that South were going to have a victory and as the conditions were difficult, they had little worry in holding on to win by an easy 38 points.

As they had had four hard games in succession it was obvious that the Altona players were leg weary. South had little football in the same period and the game the previous week had done them more good than harm.

BEST PLAYERS

3 VOTES TO BERT ALLISON of Werribee South for a damaging display around the forward line. His aggressiveness and team spirit enabled him to kick four valuable goals, two of which were off the ground.

2 VOTES TO BILL EDWARDS of Werribee South for a clever game whilst on the ball. His presence around the packs was a constant worry to opposing ruckmen and his break away from the pack often put his side to better advantage.

1 VOTE TO ANDY CAMILLERI of Altona for a never say die effort around the ground. Although often beaten to the ball by the South rovers he never gave up and his persistency was what a lot more of his team mates needed.

ALTONA TO TAKE FLAG?

In the senior grand final at Chirnside Park on Saturday, Altona should win their first premiership since 1956, by defeating Werribee South.

Altona are very fast and strong around the flanks and this should give them the edge over South, as the latter do not possess much pace in these positions. South rely a lot on their rovers for most of their scouting whereas Altona have many players who can get the same results.

South's rucks, however, should have an advantage

over Altona as they are more mobile. However, any drive South will get from this division should be repelled by the brilliant Altona defence.

SUMMING UP: Altona's greater strength around the flanks and their top-flight defence should prove too formidable for South, who, however, should not be far behind at the final bell.

CENTRALS LIKELY PREMIERS

With superior strength and better rucks, Central Altona should take their second successive premiership by accounting for a confident Werribee South at Chirnside Park on Sunday.

Centrals play very hard and their hard tackling should upset the light South side which is strong, but not as strong as Centrals. South's main asset will be their pace and if the ground is firm they could

worry Centrals who have not had a game of football for three weeks.

SUMMING UP: Centrals should be too strong in most departments for South and should win a close game.

10 ACRE FARMS OBJECTED TO IN TOWN PLANNING SCHEME

Under the proposed Town Planning Scheme for the Shire of Werribee the minimum area of a farm is 10 acres.

This was disclosed during a discussion with the Town Planners at the last Werribee Council meeting.

The reason given for this minimum of 10 acres is to stop closer development in farm areas.

Cr. Smith commented there were many farms in Werribee South which would not be allowed under the 10 acre system. He considers five acres to be a living area in Werribee South and stated there were plenty of farms of nine acres.

Cr. Earl said a market garden of 10 acres would require workers with perhaps houses for three families.

He asked if a farmer could build a second house for a member of his family on a 10 acre farm. If so, could a separate title be issued for the land on which the second house is built. The Town Planners said this is permitted and one additional house to the farm house can be built on a quarter acre of land and a separate title can be issued.

If the farmer had two or three sons and wished to build a home for each, what is

45 YEAR LOAN OF £100,000

The allocation of a 45 year loan of £100,000 was discussed at some length by councillors at a recent Werribee Council meeting. The trouble was applications by the Ridings for money from the loan totalled £190,200. Amounts applied for were West £3000, North £10,000, South £16,000, East £56,200, Central £75,000, and for plant, land and tip £30,000.

The suggested allocation for plant, land and tip was quickly deleted.

Cr. Hudson considered at least £5000 should be set aside for plant to purchase a truck or utilities as was considered by council some time ago.

Among other councillors it was felt that the balance of £3700 left in the plant account would be adequate for present needs. It appears that in the near future there would be no need for large expenditure on machinery. Cr. Baillie suggested it would be absurd to put aside money which if allocated for plant could not be used for any other purpose and therefore may lay idle.

If the need arose the council could apply for another loan for plant, &c.

Cr. Earl considered it was not economical to purchase plant with long term loan money, he considered the purchase of land more suitable for this type of loan.

With regard to the municipal tip, although the present tip will not be sufficient for the next 12 months, the shire engineer (Mr. McCormack) could give no estimate for a new tip as the Tip Committee has not as yet made a decision on when and where for a new tip. Mr. McCormack said he did not know the committee's intentions on this matter and could give no help.

At this juncture the allocation for plant, land and tip was rejected.

Cr. Jones suggested the loan should be allocated to the Ridings on a valuation basis. If a Riding is allocated more than needed the unwanted money could be re-allocated on a valuation basis between the other Ridings.

Cr. Hudson considered the money should be allocated on a percentage basis on the amount applied for by the Ridings.

Cr. Earl asked if the money is available for private street construction.

The shire secretary (Mr. Minns) informed councillors it could be used for this purpose but he considered it unwise to take up money on a 45 years term for use on private street construction. Private streets normally work on a 10 year table.

Mr. Minns discussed this matter with the Treasury who

Damp Affects Homes

Housing Commission homes in Laverton have been effected by dampness with a resultant fungus mould growth on the walls.

Mr. G. R. Crick, MLA, raised the matter in Parliament on September 18 by asking the Commissioner of Public works for the Minister of Housing the following questions—

1. What actions, if any, have been taken by the Housing Commission to satisfy or remedy the complaints of tenants and purchasers of housing units in the Laverton estate, following upon their finding of dampness and fungus mould growth on the walls of the homes?
2. Whether the Royal Australian Air Force has taken action in respect to these matters on behalf of its personnel, the occupiers of housing units on lease to the Royal Australian Air Force from the Commission?
3. Whether the Commission will provide remedial treatment, free of charge to both purchasers and tenants alike, for the homes on the Laverton housing estate?

REPLY: The Commission has no knowledge of any action being taken by the Royal Australian Air Force. Normal maintenance is the responsibility of the Housing Commission.

REPLY: Yes, where structural alterations are considered necessary.

WESTERN SUBURBS GROUP

Werribee will support the re-formation of the Western Suburbs Group.

The City of Sunshine had inquired if the council would support the group.

Cr. Earl said some years ago this group operated for about two years. He said at the time Werribee was not very big and Altona was only a riding of Werribee. But in view of the increase of municipalities in the area he would like to see it re-formed.

He said there is a definite need for it now, the question of the future water supply for the western suburbs alone justifies a meeting.

Cr. Earl was elected as the council representative to the group.

LAVERTON NORTH

The Post Master-General's Department approves the name Laverton North for the industrial area of Laverton.

Business people in the area have been using a variety of names for the locality. To avoid confusion Werribee council submitted the name of Laverton North as their choice for the area to the PMG.

The Department said the area was some distance from Brooklyn, Derrimut, Deer Park, &c. The name Laverton North presented no difficulties as in the future postal services for this area will be handled by the Laverton Post Office.

Therefore, it was a definite advantage to call it Laverton North.

ANGLERS ONLY ON W'BEE RIVER

The Werribee River is to be declared fishing waters and no boat travelling above the jetty point will be allowed to travel at more than 5 m.p.h.

This was the recommendation brought before council from a public meeting called to discuss inquiries by the Department of Public Works. The Department had inquired of council what form of speed restriction was to be indicated for motor boats and which areas for skiers and anglers on the Werribee River.

Cr. Earl reported to council a large number of interested associations and clubs attended the meeting. All voiced their fears at the possibility of spoiling one of the best Victorian angling spots.

Cr. Earl said he felt it necessary for council to adopt their recommendation which would give satisfaction to all.

He then moved a motion that a letter be written to the Department stating Council wished the Werribee River to be declared fishing waters, &c. Council adopted this proposal.

Cr. Earl mentioned another matter which will come up for report later—the possibility of providing a boat ramp on the sea side of the jetty.

RUBBISH DRIVE

A further rubbish drive is to be held in Laverton. The council will notify residents in advance.

This should give them all the opportunity to dispose of all unwanted litter.

1st LAVERTON AIR SCOUTS

The 1st Laverton Senior Air Scouts were present at a District Senior Get Together night on September 20 at 4th Footscray Scout Hall.

Twenty-two seniors from the district joined together in a series of games and then watched some amusing and interesting films.

Two Laverton Scouts were invested as Seniors in a ceremony held at the Scout Hall on Friday, September 27.

They were Scouts John Williams and William Brown. The best wishes of the Group are extended to these boys.

John Williams and Terry Howells underwent the practical test for their rescuers badge last Thursday and William Brown underwent his first class swim.

Two Seniors from Laverton have been chosen to go to Colac in October as members of the staff for the coming scouts conference, which is held every two years on a State-wide basis at five different country centres simultaneously.

CARD NIGHT.

Results of the card night held by the 1st Laverton Air Scouts last Friday night are as follows—

Ladies Prize, donated by Mrs. Stevens, was won by Mrs. Johnstone.

Gents prize, donated by Mrs. Williams, was won by Mr. Haig.

Booby prize, donated by Mrs. Stevens and Mr. Comben, was won by Mrs. Jones and Mr. Short.

Competition prize, donated by Mrs. Howells, was won by Mrs. Jones.

ALTONA WINS HOCKEY FLAG

On a perfect day for hockey at Elsternwick last Saturday, Altona's B North Section team's fighting spirit under pressure proved too much for Ivanhoe and Altona ran out winners of the premiership 3-2 in one of the best games seen for the year.

In the first half Altona went into attack immediately and scored the first goal. Altona were winning in all positions on the field, and were soon into attack again, but were held out when W. Davis received a hit on the head and had to leave the field.

With their emergency on the field Altona were unsettled for a short time, which allowed Ivanhoe's forwards in to the circle and a deflection of Altona's defence gave them their first score.

Within minutes they scored again to give them the lead. With determined play Altona came back and earned two penalty flicks at goal, but they were both missed and Ivanhoe kept the lead for the half.

After the interval Altona were soon on top of their opponents with forceful play by W. Smith at centre half. This let A. Docker in to score the equaliser.

This lifted the whole Altona team and with the defence winning in the race for the ball and good goal keeping by H. Fry, Ivanhoe were denied all chances to score again.

R. Turner, playing faultless hockey, earned the team's third penalty flick, which he

converted to give Altona the lead again.

With only half the term gone Altona were playing for time and neither defence would give in, and all the supporters on the side lines were beginning to show signs of hoarseness after a very exciting day.

The game became a bit scrumbly as the players were beginning to feel the effects of the warm day and the fast pace of the game.

Altona has now been promoted up into A Reserve Grade for next season.

GOALS

W. Davis, A. Docker, R. Turner, 1 each.

BEST PLAYERS

C. Turner, I. Grant, H. Doerner, R. Turner.

PRESENTATION DANCE

The Hockey Club's Presentation dance will be held in the Youth Club Hall on October 19, at 8 p.m. Tickets are available from Mr. A. Docker, Millers Road, Altona, or at the door.

DARTS Seaholme Sizzling

Showing no mercy Seaholme shot Union Carbide to pieces with an eight game win, which shook Bristol Hotel's No.1 position on the ladder.

It is predicted that Seaholme and Bristol will battle out the honours until they meet in the eighth round.

Crown Jewels (1) also swept through Laverton (1). It looks as though Crown Jewels are out to avenge the grand final defeat at the hands of Laverton.

Union Carbide is not the force they were during the winter competition and have slid down another rung on the premiership ladder.

DIVISION 2

Altona Darts jumped to the leading team when they defeated Laverton (2) by six games.

Altona Council jumped from fourth position to second when they swept through Williamstown Hostel with a seven game win.

Yacht Club (1) scored their second victory when they downed ICI (2) by six games.

DIVISION 3

Albright & Wilson, winners of the knock-out competition, easily disposed of Exchange Hotel by seven games and judging by their methodical way of playing, they could go through the season undefeated.

Newport Hotel, the only threat to Albright & Wilson, retain their second position on the ladder by defeating Newport Darts by five games.

Nettlefolds appear to have faded out of being a threat when they went down to ICI (1) by six games.

DIVISION 4

With a shattering six games win over the undefeated Leaders, Bristol Hotel (2), Carbon Black is emerging as the main threat for the number one position.

Carbon Black won the first game and Bristol levelled at three each, but then Carbon Black streaked away to win 6-3.

Working Men's Club disposed of Crown Jewels (2) and knocked them from 2nd position when they swept through with a six games win.

Laverton (3) appear to be the strongest of the three Laverton teams when they overcame Yacht Club (2) by the odd game.

Yacht Club Hotel (2) is the only team at this juncture that has not won a match, however, their keenness make up for the lack of match form.

INDIVIDUAL EFFORTS

The highest score to September 27 is 140. Six players are tied on this score: A. Eason (A&W), J. Wiffin (Alt. Darts), G. Hinchey (AWMC), K. Robinson (Bristol), J. Black (ICI) and K. Styling (Seaholme).

Thirteen players have three 100's or over to their credit at present.

S. Naylor of Altona Darts has won all four singles played.

Games Shot.—A. Thorogood of Crown Jewels has thrown five. Nearest to him are three players with three each.

LAST WEEK'S RESULTS**DIVISION 1**

Brooklyn Hostel 4, lost to Bristol Hotel 5. Laverton 1, lost to Crown Jewels 8 (A. Thorogood 132, K. Gittens 125). Seaholme 8 (W. Ellis 100), d. Union Carbide 1 (C. Johnson 102).

DIVISION 2

Altona Council 7 (C. Baker 100 twice, A. Wittag 100), d. Williamstown Hostel 2 (R. Welburn 90). Altona Darts 6 (J. Wiffin 140), d. Laverton 3 (F. Clarke 110). Yacht Club Hotel 6, d. ICI 3.

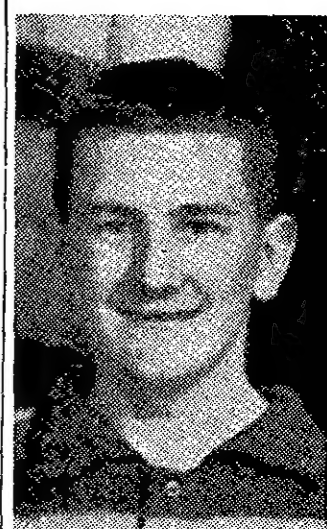

DIVISION 3

Nettlefolds 3, lost to ICI 6. Exchange Hotel 2, lost to Albright & Wilson 7. Newport Darts 4, lost to Newport Hotel 5.

DIVISION 4

Laverton Progress 5 (D. Wright 100), d. Yacht Club Hotel 4. Carbon Black 6, d. Bristol Hotel 3. AWMC 6 (G. Hinchey 140, J. Grierson 115), d. Crown Jewels 3.

SPORTING PERSONALITIES PAST AND PRESENT

No. 9—STEVE RIEGER
 C.Y.M.S. Footballer

No. 8—MARIO PIOVESAN Altona Footballer

Winner of the 1963 Best and Fairest Award in the Werribee Football League, Mario Piovesan has shown by his efforts, that Altona has many footballers capable of making headlines in any company.

Mario, who is described as a utility player, defeated ex-star Williamstown player, Johnny Martin, who is now with Metro. Farm, on a count-back. Each had a fine total of 31 points, but Mario had nine first votes to Martin's eight, thus gaining a fine win in a tight finish.

Altona Football Club gained the services of Piovesan in 1958, and as he was only 16 years old at the time, his record shows that all but five games were played with the 1st XVIII, thus proving his potential as a footballer. Piovesan went to South Melbourne in 1961 and played one season with their 3rd XVIII, and while there, won the godd kicking award. This award is worthy of note, as Piovesan gained his total of 50 goals from the forward pocket position.

Returning to the Altona Club in 1962, Piovesan finished the season by being voted second best and fairest player in the club, being beaten for first place by Noel Rohleder. Goal getting is one of the strong points of Piovesan's game, and so far this season he has kicked 43 goals.

Piovesan is a keen river and bay fisherman, and finds this sport a relaxation when away from the hurly burly of football. With a total of nearly 60 games for Altona, Piovesan is sure to remain a strength for the club in all future games.—STAN CLEG-HORN.

THIS WEEK'S GAMES

This week's games (with likely winners in bold capitals) are—

DIVISION 1

BRISTOL HOTEL v. Laver-ton. Crown Jewels v. SEAHOLME. UNION CARBIDE v. Brooklyn Hostel.

DIVISION 2

Williamstown Hostel v. ALTONA DARTS. Laverton v. YACHT CLUB HOTEL. ICI v. ALTONA COUNCIL.

DIVISION 3

ICI v. Exchange Hotel. ALBRIGHT & WILSON v. Newport Darts. N'PORT HOTEL v. Nettlefolds.

DIVISION 4

Yacht Club Hotel v. CARBON BLACK. BRISTOL HOTEL v. AWMC. Crown Jewels v. LAVERTON.

Steve Rieger, winner of the Best and Fairest Award in the junior section of the Werribee Football League, is a player who does not believe in doing things by halves.

As a follow up to his award, Rieger also dead-heated for first place in the Howard Parish £50 prize for junior players. Rieger who plays in the ruck for Williamstown CYMS and is also captain of the team, had added to his good record for the season by notching a total of 50 goals which gained him third place on the goal kicking ladder.

The best and fairest award for his club has also gone to Rieger, and this makes it a double for him, as he won the same award in 1962.

Football has played a major part in the sporting history of Rieger, he having in 1962 been a member of the Williamstown Technical School team who were undefeated and became zone premiers that year.

Prior to joining the technical school, Rieger was named as the most improved player for his school—St. Mary's of Williamstown.

Night football is giving Rieger a chance to air his potential, for he has been playing with CYMS in the curtain-raiser games to the league night series.

When the football season is over, Rieger will be seen in his other guise—as a cricketer. Rieger has done well as a cricketer in the Williamstown and Footscray District Association, he having won the 1959-60 batting average in the Junior A Section with an average of 30 runs. He has also taken the bowling average of the CYMS club on one occasion, with a performance of 11.4 runs per wicket, playing A Grade turf competition.

Unaffected by his efforts on the sports field, Rieger no doubt has the ability to add further to his already first class record.—STAN CLEG-HORN.

NEXT WEEK: Ken Lawley, Williamstown Footballer.

KOORINGAL GOLF

ASSOCIATES

Guest Day Foursomes was held at Kooringal last Wednesday and winners for the day were—

BEST GROSS: Mrs. M. Walker-Mrs. N. Burton, 100.

BEST NET: Mrs. W. Sandilands-Mrs. J. Harper, 73.

PUTTING ON ROUND: Mrs. V. Wilson-Mrs. P. Wright 29.

ALTONA TENNIS CLUB NOTES

In the recent Elsternwick School Championships three of our junior boys are to be congratulated for their efforts.

John Kelly won the consolation final.

Michael Kelly was runner-up in the under 13 years doubles.

John Butterworth defeated the number three seeded player.

Ladies mid-week tournament was won by Mrs. Betty Johnston.

The trophy was kindly donated by Mrs. Meg Harrington.

Special effort, donated by Mrs. L. Findlay, was won by Mrs. G. Butterworth.

TEAMS FOR SATURDAY

A Grade v. Rosamond at Altona—

R. Graham, T. Law, C. Trickey, L. Findlay, M. Harrington, J. Parkinson. Emergencies: L. Findlay, B. Johnston.

A Reserve (1) v. Kingsville away—

C. Turner, N. Rodgers, R. Turner, O. Kelly, T. Smith, P. Trickey. Emergencies: L. Findlay, G. Butterworth.

A Reserve (2) v. Rosamond (2) at Altona—

R. Combes, I. Harrington, K. Johnston, G. Butterworth, S. Adcock, J. Neal. Emergencies: J. Trickey, L. Hutton.

B Special v. Liston Esplanade away—

J. Trickey, J. Kelly, P. Parkinson, J. Burke, G. Cronin, M. Walker. Emergencies: R. Wilson, L. Hutton.

JUNIOR TENNIS

Saturday morning Under 16 Summer Pennant matches will start this Saturday at 9 a.m.

The two boys teams are at Altona and the girls teams are both away, No. 1 at Youth Club, Stephen Street, Yarraville, and No. 2 at the Footscray Club at Footscray Football ground.

TEAMS FOR SATURDAY

Boys No. 1 Team to play at Altona—

K. Flett, V. Grdovitch, W. Kelly, R. McIntosh.

Boys No. 2 Team to play at Altona—

G. Findlay, T. Mochon, B. Kelly, J. Winfield.

Girls No. 1 Team v. Youth Club at Stephens Street, Yarraville—

S. Rose, C. Harrington, M. Mochon, C. Gunn.

Girls No. 2 Team v. Footscray at Footscray Football Ground—

J. Huggins, S. Murphy, D. McIntosh, A. Rafferty.

Players must be punctual, if they become unavailable for any reason, they must immediately inform their team manager.

The winter season just concluded was an unqualified success, the girls, Susan Rose, Christine Harrington and Maureen Mochon, proved that they were the best in the competition and the boys held their own.

Unfortunately, lack of reserves when players were unavailable, lost vital matches and the No. 1 team finished fifth on percentages.

Match play during the winter further developed the top members and those in the No. 2 side gained good experience, some of these being Robert and Diana McIntosh, Janice Huggins, Shiela Murphy, Christine Gunn, Greg Findlay, W. Kelly and Tom Mochon.

Having entered the maximum number of teams in the summer competition the club is still short of reserves, any boy or girl wishing to play is requested to contact the secretary, Mrs. S. Adcock, Rose Street, Altona, or attend club courts early any Sunday morning.

COUNTRY DRIVERS CAN HELP IN ROAD SAFETY

Country drivers could make a substantial contribution to safer roads by reducing their speed, the chairman of the Australian Road Safety Council (Dr. J. R. Dowling) said this week.

Dr. Darling was announcing the inauguration of the council's Australia-wide campaign against excessive speed.

Dr. Darling said that it was unfortunately true that a majority of Australia's road deaths occurred outside the capital cities. Investigations made so far by the council had indicated that in most cases it was country residents who were being killed and injured in these accidents.

Last year, drivers and riders travelling too fast for road, weather and traffic conditions were primarily responsible for 540 deaths—31 per cent. of the total—and 7343 people being injured.

Dr. Darling said that he believed the average driver was quite unaware of the potential danger to which he exposed his passengers, himself and other road users when

he drove at only a few miles an hour above a safe speed. The average driver thought that excessive speed campaigns and slogans were intended only for road hogs and speed maniacs.

All too often, however, it was the average driver who became involved in an accident due to excessive speed.

The fact that a very high proportion of serious accidents occur on straight roads or involve only one vehicle clearly demonstrated that loss of control due to excessive speed was a major danger.

Dr. Darling said that unless the average driver and, in particular, the country driver, eased up on the accelerator and always drove at a speed which enabled him to control the vehicle in any emergency, excessive speed would continue to be the largest single factor in road deaths causes.

LIFESAVING CLUB NEWS

The Ladies Auxiliary annual meeting was held in the club house last Tuesday, September 24. The following office-bearers were elected for the season 1963-64—

President: Mr. D. White; Senior Vice-President: Mrs. M. Sturrock; Vice-President: Mrs. L. Eagland; Secretary: Mrs. N. Byrne; Assistant Secretary: Mrs. J. C. Smith; Treasurer: Mrs. M. Wall.

SPECIAL EFFORT

SEPTEMBER 23.—1st: Mrs. B. Poole, 161; 2nd: Fred Updeil, 45; 3rd: K. Jones, 141. Consolation: Mr. J. Morgan, 69; Mr. N. Keen, 155; Mrs. K. Pratt, 70; Mrs. Moed, 106.

SEPTEMBER 30.—1st Mrs. Tyler, 72; 2nd: B. Hynes, 145; J. McBain, 140. Consolation: Mrs. Spitiri, 91; M. Hughes, 38; Mrs. Kip, 95; M. Richards, 194.

SOCIAL NEWS

A dance will be held in the training centre on Friday, October 4. Nancy Warren's band will be playing and the admission is 5/-.

TRAINING NEWS

This week the bus will leave the club house at 6.45 p.m. sharp to go to the Richmond Baths for swimming training. Both senior and junior members should attend these Monday night training classes.

TABLE TENNIS NEWS

On Wednesday, Thursday and Friday, October 9, 10 and 11, the summer pennant matches commence, when 60 teams in 10 grades meet in the first round of the 1963-64 premierships.

On current form top team Maidstone should account for Metters. Maidstone has been runner-up in the last two A Grade premierships and this could be their turn to clinch an A Grade title.

Another close match should be that between last year's finalists in A Reserve, Altona Petrochemicals and Seagulls. Footscray City Council versus AGM should also be an even contest.

COMMITTEE MEETING

The next monthly committee meeting is to be held at the Table Tennis Centre in Garden Street, Williamstown, on Monday, October 7.

Main business will be arrangements for the presentation night and annual meeting, scheduled for November 22 and December 2.

NEW TEAMS

Among the newer teams whose performances will be studied are the Brooklyn firm of Co-operative Farmers and Graziers, represented by Mrs. J. Davis, J. and M. Slabic and S. Simonidis.

Another promising team is West Newport, which includes Tony Dunne, Laurie Clancy, Kevin Bourke, Geoff McPhee, all of whom show good potential.

BOWLING CLUB NOTES

There was a good attendance for mixed fours on Show Day and after a roll off between four teams the winning rink was Vera Emery, Peg Cunningham, Ern Jemmeson and Jack Fisher (skipper).

Saturday last was Children's Charity Day and £16 was collected. Play took the form of a pennant practice and the winners were decided on a percentage basis. The ever popular Bill Grant skippered the winning rink which comprised George Snowden (leader) Les Crofts and Dick Douglas.

Les, a first year bowler, was also a member of the previous Saturday's winning rink—nice work Les.

Rain washed out play on Sunday.

October 5 is the opening day for pennant. The club which has two C Grade teams and a D Grade team entered, is looking forward to a good season.

LAVERTON PROGRESS DART CLUB NEWS

Results of matches played on Friday, September 27, are as follows—

TEAM 1

Playing with only three men Laverton were no match for Crown Jewels (1). Captain Roy Warren scored the only win of the nine games.

TEAM 2

Met very strong opposition in the form of Altona Darts on their own ground and went down 6-3. Frank Clarke, Alan Morton and captain Bob Gordon won their singles.

Frank Clarke scored 110, and J. Wiffin of Altona Darts top scored with 140.

TEAM 3

Played Yacht Club Hotel (2) at home and scored their second victory of the current competition. Captain Arch Shipsey set them on the right road by winning the opening game and obtain the winning shot in the first three's game.

Alan Fielder won his singles, as did Karl Brophy. Karl also had the winning shot in the second three's game. Derek Wright was again top scorer with 100.

PRACTICE

Will ALL club members please make every effort to turn up on Wednesday nights when the teams are selected.

Owing to poor attendance the club is in the position of having to consider dropping one team out of the League.

DART PLAYERS WANTED

Would any males interested in playing competition darts please contact the following URGENTLY—

Roy Warren, 36 Williams Road, Laverton. Frank Clarke, 124 Bladin Street, Laverton. Tommy Atkins, 2 Tomas St., Laverton.

SILVER PEDAL

Silver Pedal Results this week are 36, 126 and 63.

ALTONA'S CREDIT RATING HIGH

Finance to cover Altona's loan allocation of £250,000 is already in site. To date the sum of £230,000 has been borrowed.

It is anticipated that savings banks will make offers of loans which will take the council over its limit.

Therefore the council has authorised the secretary, Mr. J. W. Waters, to make immediate application to the State Treasury to have the loan allocation for Altona increased in order to take up available loan funds.

The figures emphasise the high standard of Altona's credit among investors.

Whether or not the government accedes to the Shire Council's request for an increased loan allocation, this favourable situation augurs well for the future.

The council and officers of the shire deserve the thanks of the community.

GUIDES AND BROWNIES

Brownies Guides and Guiders had a night out to the Show. All enjoyed themselves. The Gelli-brand Division Guide Sport Day will be held at Soldiers' Reserve, Werribee, on Saturday, October 5, at 1.30 p.m.

Trains are as follows—
Depart Newport 12.10 p.m.
Depart Werribee 6.48 p.m.
Each Guide is to bring her own cut tea and drink.

Brown Owl Bright is going on a trip to Queensland on October 12, so there will be no Brownies that Saturday.

Commissioner Brooks will take Pack meetings from October 19.

1st ALTONA PACK

Enrolments.—Kaye Farmer, Louise Cuersgen, Marlene Harrison.

Health.—R. Douglas, S. McLennon, S. Noble, L. Harris, L. Binding, J. Spackman, L. van de Graaf, P. Beales, K. Bignell, M. Walsh, V. O'Sullivan, J. Burke.

Nature.—J. Burke, K. Bignell, J. Spackman, S. Noble, Golden Ladder.—Gail and Glenda Bryant.

Golden Hand.—Ruth Beales, Proficiency Badges.—Ruth Beales: First Aid; Susan McLennon; Thrift.

2nd ALTONA PACK

The 2nd Altona Pack celebrated their second birthday with cake, biscuits and soft drinks.

Brownies were pleased to welcome Com. Brooks to their party.

Golden Hand.—Jill Colvin. Proficiency Badge.—Julie Hutton, Beverly Colvin; Thrift.

1st ALTONA COMPANY

First Class Guides have been working on the compass and will have an afternoon to the Pines to practice the compass trails.

L.A. MEETING

The next Local Association meeting is October 9 at 7.30 p.m. at Mrs. Rosling's, 42 Civic Parade.

FAREWELL TO GROUP SCOUTMASTER

On Wednesday, September 25, Cubs, Scouts, Seniors, Rovers, Scouters and members of the Group Committee gathered at the Scout Hall to farewell the Group Scoutmaster, Don Barry, who, as a member of the Air Force, has been posted to Williamstown.

Mr. John Short, the Group Committee President, expressed the feelings and thanks of the Group to Don and presented him with an inscribed memento of his time with the Group.

Mr. Barry thanked the assembly for their best wishes and said that he had great pleasure in being able to serve the boys of Laverton as the Group Scout Master.

He went on to say that if each and every boy and their parents helped to develop a spirit of "ESPRIT DE CORPS" within the group, the Laverton Group could become the leading group in the area.

PHONE BOX TO BE MOVED

The public telephone situated at the corner of Harrington Street and Grieve Highway, Altona, will be moved to a new position on the north side of Fleming Street, approximately 65 feet east of the building line of Akuna Street.

When seeking council approval to the moving of the box the PMG stated they wished to place the phone in a more central situation for the area west of Grieve Highway.

MOVE FOR SPASTIC CENTRE

The Spastic Children's Society is pleased to know that Altona council is taking steps to acquire land for a spastic centre, but the society advise the council to hasten slowly.

Crs. V. L. Hearn, S. G. McIntosh and A. W. Bond, Mr. J. W. Waters (shire secretary) and representatives of the Chis-lon Centre, Seddon, attended a conference with the council of the Spastic Children's Society of Victoria on September 17.

The meeting had been called at the suggestion of the Education Department and the Health Department. The council had written to both these Departments seeking information regarding the setting up of a Spastic Children's Centre in Altona on land which the council had in mind to acquire in the Somers Parade area.

The outcome of the conference was that the council representatives have learnt a lot on the care of spastic children and the problems which confront the society and the Chis-lon Centre which is a part of the society. Altona children attend Chis-lon.

The constitution of the Spastic Children's Society provides that the society will take care of all spastic children and ultimately all spastic adults. The society will also set up centres where the council or the society determines there is a need for one which is found after a survey is made.

There are many children in other areas who are not catered for—the number is unknown because some parents are reticent to make the presence of spastic children known.

There are 280 children catered for at various centres under the society's control. If a centre is set up in Altona, then Altona would have to govern their own centre within the frame-work of the society.

The Chis-lon group who made the initial approach to Altona council would like to see a similar type centre to their own functioning in Altona.

The average cost of a building to cater for 40 children and adults appears to be £22,000.

However, the society and particularly the Chis-lon people are pleased to know that Altona council is taking steps to acquire land which will be adequate for the building of a centre but they advise the council to hasten slowly whilst the society undertakes a survey and formulates a report as to when and which type of centre could be established.

A thought which was suggested after the close of the meeting was that the land could be utilised by Chis-lon folk for the erection of a chalet which could serve as a holiday house for spastic children whilst their parents took a well-earned holiday.

BANK LOAN OF £25,000

The shire President, Cr. G. den Dulk announced on Tuesday that a further loan of £25,000 had been made available by the State Savings Bank of Victoria to the Shire of Altona.

In announcing the loan Cr. den Dulk expresses the appreciation of the council for the assistance and consideration given by the bank at all times, particularly regarding the council's applications for loan funds. These have materially assisted the council to carry out a very large works program.

Lay-By Toys For Christmas NOW

Altona Historical Club

The society (thanks to the Altona Shire Council) now has the use for the next six months of the room previously used by the shire engineer in the old council building at 128 Queen Street, and this will enable it at last to get down to business and set in order much valuable information it has already received and preserve many old photos of interest to hand, and many more it hopes to receive.

It will also be able to house any souvenirs that may be donated.

The centre, as soon as is practicable, will be open to the public.

The monthly meetings, too, will be held here on every third Wednesday evening, but at present the society is anxious to acquire some seating furniture as well as cupboards and show cases. Any such donations will be most acceptable.

Anyone who can assist may contact the society through Mr. B. Primal at the Elderly Citizen's Club, or the hon. secretary, V. Hearn, 6 McBain Street, phone 65-8653.

WERRIBEE RIFLE CLUB

Last Saturday members took part in the first stage of the Geelong Pennant Shoots.

Firing from the 300 yard range the A Grade Team finished second with the B Grade team finishing in first place.

Details are as follows—

A GRADE

Geelong, 282; Werribee, 275; Corio Bay, 273.

B GRADE

Werribee, 264; Geelong, 262; Bacchus Marsh, 260; Corio Bay, 255.

Top scorers for Werribee were G. Thomas, A Grade, and R. Horton, B Grade.

There will be no shooting at the Werribee range for the next few weeks until the installation of two new target frames has been completed, this will increase the targets from four to six in preparation for the forthcoming prize meeting to be held on December 7.

B. Comben was the winner of the monthly trophy for September.

ELDERLY CITIZENS' CLUB NEWS

The committee wish to thank all who came along and brought a plate to help make the Birthday Party such a success.

Mrs. Kinson, the oldest member, was present and sat at the birthday table. She received a gift from the president, Mrs. Farrant.

The club would also like to thank Mrs. Spiers, the pianist and Mrs. O'Neil and Mrs. Patchet for entertaining the members.

Thanks to Mrs. Sturrock for her donation from cards every month.

NEXT DANCE

Saturday, October 5, is the next dance. Come along and spend a happy night with the club. Admission is 3/- for adults and 1/6 for children. Supper will be provided.

YOUNG FARMERS

The Werribee Senior Young Farmers Club is a group of young people between the ages of 15 and 25 interested in the land.

The activities are varied and many, such as—

Social, dances, barbecues, agricultural, visits to farms, agricultural schools, cultural debating and public speaking, theatre nights.

THE D.L.P. SAYS...

(The following article has been contributed to the "Altona Star" by the Lalor Federal Electorate Council of the Democratic Labor Party—C. P. Meehan, Sec.)

It is time that a satisfactory investment code was worked out and implemented in order to protect the Australian economy. Overseas control of Australian companies is already widespread and growing to an alarming degree.

The community resents this. While Australia badly needs development capital from overseas, the country does not benefit from overseas firms buying out established Australian companies to get a footing in the market.

The average Australian, indeed, while resenting this state of affairs, does not for a moment dream how deep this assumption of control by overseas interests has been.

Consider the following facts compiled from Department of Trade figures—

- ★ In at least 38 fields, ranging from motor vehicles to plastics; explosives, industrial gases, processed foods, electrical equipment, &c., overseas interests have provided more than 50 per cent. of the issued capital. Almost every one of them is an industry vital to the economy.
- ★ In such vital basic resources as aluminium, copper, zinc, lead, uranium, ilmenite, rutile and zircon, iron coal and salt, overseas capital dominates the field to the almost total exclusion of Australians. Only in zinc do they get any say, and then not to a great extent.
- ★ Of 52 companies engaged on oil exploration in Australia, 46 are completely owned outside Australia.

This is a dangerous situation and one fraught with disaster. If anyone doubts that they should look at the example of Canada where US capital was allowed to pour

in at such a rate that many Canadian companies became just branch offices of overseas concerns.

All went swimmingly for a while. There were profits and plenty of jobs. But then came recession in the US, and Canada was hit hard.

In such cases, overseas firms in order to carry themselves through at home, cut back production in their external subsidiaries. That means loss of jobs, a fall in overseas earnings for the country hit. (Australia has already had a taste of this in the metals industry in Queensland.)

From the economic point of view alone, it's but a question of time before Australia finds herself in difficulties.

ROAD SAFETY STARTS WITH YOU

No pedestrian ever hurt a motor car. Fair play dictates that the driver does not hurt a pedestrian. — Australian Road Safety Council.

LABOR VIEWS

(The following article has been contributed to the "Altona Star" by the Central Executive of the Australian Labor Party.)

The Acting Premier of Victoria (Mr. Rylah) has estimated that Victoria will be £100,000,000 short of the amount required for urgently needed road building over the next 10 years.

The quoted figures which show that of £158,166,000 collected in petrol tax in this State since 1955, only £73,430,000 has been returned.

What he failed to state was that the niggardly treatment received by Victoria is the direct responsibility of his political mates in Canberra.

It is also significant that he quotes figures which date back to the year that his Government took office in this State.

No real pressure has been applied by this Liberal Government on the Federal Treasurer for a more equitable distribution of petrol tax nor is there any evidence that Bolte has demanded the return of all tax collected from the States for road making.

The only solution that the Bolte Government has presented is to suggest the imposition of an additional tax of 3d. per gallon petrol.

This would be completely wrong when a large proportion of the tax already collected from this source is going into consolidated revenue.

The extra cost should be reflected throughout the whole community in rising prices and increased costs of production.

It would be particularly harmful to the Primary Producers at a time when they are exploring every avenue to Canberra.

reduce costs to enable them to successfully compete at overseas markets.

It will also cause steep rises in the cost of living to country people as a very high percentage of consumer goods are transported by road.

People living outside the metropolitan area of Melbourne are already paying too dearly in additional freight charges on almost every item they purchase.

Any additional burdens can only accelerate the already large numbers of people who are leaving provincial and rural areas.

Rather than create greater hardship, the Bolte Government should decrease the cost of living to these people by reducing electricity charges to the same figures charged to metropolitan users.

The Australian Labor Party is very much aware of all these factors and is equally aware of the urgent necessity for additional funds to be made available for road construction.

Labor is committed to return all petrol tax collected to the States when it is elected to the Treasury Benches in Canberra.

PUBLIC NOTICES

TO ALL MEMBERS and intending members of the Altona sub-branch RSSAILA, you are hereby informed that the trustees of above branch are proceeding with a plan to carry out extreme alterations and extensions to the Memorial Hall. To finance same they propose mortgaging the property up to \$8000.

Before a project of this nature was attempted all members should have been notified in writing and a special meeting held to endorse or reject the plan.

The next meeting of the sub-branch is to be held on October 16, 1963. I request that the trustees produce the deed of trust at this meeting.

I also appeal to all members and all ex-service men intending to join this branch to attend this meeting and exercise their rights.

Remember this is your asset. Come along and protect it.

Signed E. N. McCauley, Past President, and Ex-Trustee.

SHIRE OF ALTONA

LOAN No. 38—£25,000.

Special Order to be Made. Notice is hereby given that at a meeting on 10th September, 1963, the Council resolved—

"THAT the Council makes a special order to borrow the sum of £25,000 from the State Savings Bank of Victoria upon the credit of the municipal revenues of the President, Councillors and Ratepayers of the said Shire, by the grant of a mortgage under the provisions of the Local Government Act.

1. The maximum rate of interest that may be paid is £5/2/6 per centum per annum.

2. The purpose for which the loan is to be applied is construction of private streets £25,000.

3. The period of the loan shall be 10 years.

4. The moneys borrowed shall be repayable by providing out of the municipal fund 20 half yearly payments of approximately £1613/3/3 each, including principal and interest on the 1st day of May and the 1st day of November during the currency of the loan. The first instalment shall be payable on the 1st day of May, 1964.

5. Such moneys shall be repayable at the State Savings Bank of Victoria, Melbourne.

and further, that confirmation of this Order be made an Order of the Day for the Council meeting to be held on 22nd of October, 1963."

JAMES W. WATERS, Shire President.

LOAN No. 39—£25,000.

Special Order to be Made. Notice is hereby given that at a meeting on 10th September, 1963, the Council resolved—

"THAT the Council makes a special order to borrow the sum of £25,000 from the Commonwealth Banking Corporation upon the credit of the municipal revenues of the President, Councillors and Ratepayers of the said Shire, by the grant of a mortgage under the provisions of the Local Government Act.

1. The maximum rate of interest that may be paid is £5/2/6 per centum per annum.

2. The purpose for which the loan is to be applied is construction of private streets £25,000.

3. The period of the loan shall be 10 years.

4. The moneys borrowed shall be repayable by providing out of the municipal fund 20 half yearly payments of approximately £1613/3/3 each, including principal and interest on the 1st day of May and the 1st day of November during the currency of the loan. The first instalment shall be payable on the 1st day of May, 1964.

5. Such moneys shall be repayable at the Commonwealth Banking Corporation, Melbourne.

and further, that confirmation of this Order be made an Order of the Day for the Council meeting to be held on 22nd of October 1963."

JAMES W. WATERS, Shire President.

BY-LAW No. 23

Notice is hereby given that at meetings of the Council of the Shire of Altona held on 13th August, 1963, and 10th September, 1963, the said Council did make, pass and confirm a By-Law, titled "Meeting Procedure By-Law" and numbered for the purpose of amending By-Law No. 2—Meeting Procedure By-Law.

A copy of the said By-Law No. 23 is open for inspection, free of charge, during office hours, at the office of the Council, 115 Civic Parade, Altona.

JAMES W. WATERS, Shire Secretary.
